

Y AFTER SCHOOL SITES

YMCA After School programs serve more than 9,000 students annually in 180+ schools located in 19 school districts in the Greater Houston area. We focus on nurturing child development by providing a safe and healthy place to learn foundational skills, develop healthy, trusting relationships and to build self-reliance through the Y values of caring, respect, honesty, responsibility and faith. The Y believes every child deserves access to affordable after school programming and rates vary by site. **Please note any sites listed as bussed indicates that students are bussed to an alternate site.**
