INFO SESSION: BECOME A VIRTUAL VOLUNTEER

YMCA of Greater Houston and AARP Foundation Experience Corps are teaming up to bring an evidence-based program to the community that connects students K-3rd grade with trained adult volunteers age 50 and better who tutor them in literacy and help build their reading confidence. As an affiliate, YMCA of Greater Houston is seeking volunteers to help tutor and mentor students who are a part of the Greater Houston community this summer of 2022. Join one of our informational sessions to learn more about this unique and rewarding virtual volunteer opportunity.
