The YMCA mission and purpose are deeply grounded in the idea that by putting Christian principles into practice, we can develop more connected communities. Through an intentional effort to elevate Christian principles in the communities we serve, the YMCA of Greater Houston helps people to develop their spirit, mind, and body while strengthening the bonds that tie us together.

THURSDAY, MAY 7 | 7:30-9 AM

HOTEL ZAZA | 9787 Katy Freeway, Houston, TX 77024

The YMCA is a powerful association of people joined together by a shared commitment to empower youth, build healthier families and foster more inclusive communities. By investing in these strategic priorities, we ensure that the Y remains a place where spiritual growth, compassionate leadership, and meaningful connections transform lives.

Advance the YMCA's Mission with Christian Principles

Uphold and integrate Christian principles in ways that foster inclusion, strengthen community bonds, and promote holistic well-being—spirit, mind, and body—for all.

Inspire Faith-Driven Leadership

Provide YMCA leaders with opportunities to deepen their spiritual growth, equipping them to integrate faith into their leadership, decision-making, and service to others.

Strengthen Faith-Based Community Impact

Foster a greater understanding of how Christian principles can address the complexities of today's world, guiding leaders to create inclusive, faith-centered spaces that promote unity and belonging.

Empower Leaders for Meaningful Change

Equip YMCA leaders with the skills and resources to navigate and drive adaptive change, ensuring communities continue to thrive through faith-based leadership and service.

YMCA Mission: To put Judeo-Christian principles into practice through programs that build healthy spirit, mind and body for all. Everyone is welcome.

PARIS BASIS

Adopted 22nd August 1855 in Paris, France at the 1st World YMCA Conference

Rooted in its Christian mission, the YMCA has always been dedicated to fostering faith, unity, and service. This commitment was formally expressed in the Paris Basis of 1855, which defines the organization's guiding principles:

"The Young Men's Christian Associations seek to unite those young men who, regarding Jesus Christ as their God and Savior, according to the Holy Scriptures, desire to be his disciples in their faith and in their life, and to associate their efforts for the extension of his Kingdom amongst young men.

Any differences of opinion on other subjects, however important in themselves, shall not interfere with the harmonious relations of the constituent members and associates of the World Alliance."
